

You've heard many things in your life. The incredibly small Passion hearing aid can help you hear a whole lot more!

The Virtually Invisible Hearing Aid

Watching TV is only half the story ... You want to be able to HEAR it as well!

Whether you are passionate about your hobbies; watching and listening to TV; eating out at noisy or quiet restaurants; attending sporting events or movies; listening to music; socializing with friends and family; being at houses of worship; shopping; driving; attending business meetings; or simply enjoying everyday activities at home, PASSION hearing instruments breathe new life into your hearing and help you reconnect with your individual Passion!

Live Life to the Fullest!

Be healthy. Be happy. Live your life to the fullest every day – and hear the many sounds around you that enrich your life!

Whether you are active or laid-back. If you find that you need a little help with your hearing, this is the hearing instrument you have been waiting for!

PASSION hearing instruments are virtually invisible, automatic, and they provide the ultimate in sound quality, comfort and cosmetics!

Call your Hearing Healthcare Professional today and ask about the **Widex Inteo™**

Learn How PASSION Can Be Just Right For You!

The virtually invisible Widex PASSION offers Integrated Signal Processing (ISP) the greatest technology ever put inside a hearing instrument — combined with a sensationally small size.

Passion for Life!

- Stops hearing aid whistling ... almost everywhere. Ultimate in telephone use.
- Soft sounds are audible. Loud sounds are not uncomfortable
- Natural, clear and comfortable sound quality
- Allows you to hear soft and distant speech
- Extends your hearing of the high-pitched sounds in unique ways that traditional hearing aids cannot
- Ultimate in music appreciation
- Excellent M4 cell phone rating
- NanoCare Wax Guard System provides valuable moisture and wax protection.
- Three Listening Programs with Optional Remote Control (if desired)
- Available in 12 attractive colors
- The hearing aid that offers no compromise of size versus performance

widex passion™
THE VIRTUALLY INVISIBLE HEARING AID

The Widex Passion Digital Hearing System may not provide the same benefits to all users, and may not be appropriate for everyone with a hearing loss. Your authorized Widex Passion dispenser will evaluate your hearing loss (and may charge a fee for this evaluation) to determine if Widex Passion can help you. Your success with the Widex Passion depends upon a competent examination, proper fitting and your ability to adapt to using a hearing instrument.
